JIM LONGWELL AND LYNN BRYSON topped all comers in the State Junior College Debate Tournament. Second place

winners Glen Collins and Gary Lovchik from Yakima, are also shown.

CBC'ers Win Speech Trophy

Columbia Basin College won its first forensic trophy at the recent Washington State Jr. College Spring Forensics tournament held here at CBC, April 11 and 12. The trophy was won by James Longwell and Lynn Bryson who took first place in debate.

The two day tournament, hosting more than 40 students from seven schools also included individual events, extemporaneous speaking, interpretive reading, oratory and after dinner speaking. Students were rated as average, good, excellent, and superior.

Two CBC students won superior ratings, Sully Bayless for extemporaneous speaking and Mrs. Figliolia for her after dinner speech "The Family Cake".

Welcomed reliefs in the rather rapid pace of the tournament included meals served in the CBC cafeteria and a guided tour of the new campus with Mr. Askegaard.

The event was climaxed by a luncheon banquet where the awards were given out.

Many Scholarships Available ★ ★ ★ CBC'ers Awarded Grants

Mrs. J. C. Stappler, Dean of Women, announced that there were several Columbia Basin College scholarships available to those who wish to apply. The forms may be picked up in Mrs. Stappler's office and must be fully completed.

Mrs. Stappler stated that the only requirements are that the students maintain a good grade average, have leadership capacities and have willingness to work. The forms should be completed and turned in to her as soon as possible or they may be available for the scholarship committee to consider.

A few of the scholarships available are the Delta Kappa Gamma scholarship, the Kennewick Exchange Club, Altrusa Scholarship Award, Pasco-Kennewick Rotary Club, and the Pasco P.T.A. scholarship and others. If you want information about the scholarships there is a list posted on the bulletin board outside Mrs. Stappler's office and other boards.

Columbia Basin presented several Spring quarter scholarships to CBC students. Those receiving scholarships were:

Dave Clark, CBC Academic Scholarship; Guy Parkman, CBC Academic; James Heaton, Academic for Spring in Machine Shop; Billy Cheek, Pasco-Kennewick Rotary (Billy received the remaining scholarship left by Marilyn Taylor); Nancy Provins, Lady Eagles Scholarship, and Harvey (Pete) Rice, B. W. of P.E.O.

ONE OF THOSE DAYS
(ACP) — A University of Minnesota professor may qualify for the all-time "absent-minded" title.

The MINNESOTA DAILY'S IVORY TOWER magazine tells this story, as reported by their spy in the faculty dining club.

Prof. X took his tray with his day's fare of chow mein, water and coffee and walked to the sugar and cream table. He picked up the cream and poured a long stream into his water. An alert waitress snatched the glass and replaced it.

Amid guffaws of colleagues, he made his way to a table, sat down with as much dignity as possible and shook several drops of soya sauce into his coffee.

Grads' Dance Set For May 29 At Civic Center

The Freshman class will be entertaining the Sophomore class at a graduation dance the twenty-ninth of May in the Kennewick Civic Center. A combo called "The Shadows" from Walla Walla, will furnish the music from nine to twelve. The admission for the formal dance will be a dollar per couple with no cover charge.

Anyone can and is urged to attend. There will be a floor show and free refreshment and the Sophomore king and queen and their court will be crowned during the intermission.

Spring flower and candles will decorate the club. Freshman class president, Sully Bayless, has urged all freshman to cooperate with the committee members to make the dance a success and give the grads a big send-off.

Vets Plan Big Hop

The Vets' club is planning an all Veterans dance to be held Saturday, May 10th at the V.F.W. in Pasco.

All veterans of Columbia Basin College, in vocational as well as administrative classes, with their wives or girl friends are cordially invited.

There will be plenty of "burp" free refreshments, so come on then, let's get together and enjoy ourselves, says President Bill Sarvis.

The price will be \$1.00 per couple for Vet club members and \$1.50 for non-members. Tickets will be sold by club members. Also anyone interested may leave his name with Mr. Killingsworth and a member will then contact them. All tickets will be sold in advance and only couples will be admitted.

Mighty Hawks Are Flying High Again

NANCY PROVINS
I would like to be a representative at large because I enjoy being with and working with people. I believe it would be beneficial, as it would give me experience and knowledge as to how our ASB council is run.
I feel I might be able, in some way, to work toward the betterment of the student body and the school in general.

VERONICA BORDEN
I would like to be a representative at large because I feel I would gain experience dealing with problems afflicting students and the ASB.
If I am elected I will do my best to help solve many of the problems that arise during the school year.

CLARA MORTON
Clara Morton is a candidate for representative at large. She is the type of personality that makes friends, old and young alike, because she is young enough at heart to be one of the younger students at Columbia Basin College but is also old enough in experience to be one of the older students.
As to qualifications, she was president, church representative and young people's selector in her home town in Texas. With these qualifica-

"Don't Get Shook"

By PAUL
The 1958 version of the Columbia Basin College Tennis team has begun its spring schedule. The squad composed of Bill Nearents first singles, Dave Clark second, and Drue McGinnis third with Nearents and Clark playing first doubles and Miller and Clark playing second doubles. In their first match of the season with Yakima, they bested the Indians 3-2, the final sets of the match being rained out.

Well, Pro basketball has come to the tri cities and gone leaving memories of triple figure scores and the best of the pro circuit. In the game played in the Pasco High gym, the west downed the east, 137-131 in a game that has the greatest accent on offense, as most of the players ran up double figures for individual scores.

As far as the Baseball team goes, they seem to be doing pretty well for themselves, and if they continue to play as they have, we'll have two trophies come the end of the season. The pitching staff seems to be doing an outstanding job, as two and three hit ball games are not unusual. The Hawks took a double header from Centralia over the week end, while holding Centralia to only six hits in both contests.

In track, the Hawk thinclads surprised a goodly number of people by coming within 1½ points of taking a 6-way meet, and yet had to settle for a third place spot. The Hawks traveled to the six way meet in Longview Saturday, without the services of two top sprinters Chuck Heath and Gene Bates, along with polevaulter Wayne Louk. The Hawks brought home three first place ribbons and five second place trophies. Individual ribbons were won by Brown who took a first in the broad jump and second in the high jump, Nick Chalic and Jan Tidrick placed first in the javelin and shot put, while Jack Randall placed second in the 120 yard high hurdles. Russ Burks a third in the 880 and Ken Pickles a fourth place ribbon in the 440. The Hawks also ran a second place in the mile relay with a team composed of Brown, Burks, Pickles, and Lathim.

Blood Donors Make Poor Showing

"I guess we have an anemic bunch out here," is Mrs. Stapler's comment on the blood-donating program staged in the CBC gymnasium Friday, April 18.
Dave Clark, who chairmaned the project with the help of Angie McCullough and Bob Wilkinson, reports that 84 pints of blood were donated to the Red Cross blood bank. Only a fraction of this amount was donated by CBC students.
The help of outsiders, however, will probably not be enough to keep the traveling

The Hawks of Columbia Basin College surged to a one-game margin in Southern Division compilings by virtue of 5-3 and 6-1 victories last Friday at Sanders Field over the Centralia Trailblazers.

Coach Len Pyne's baseballers elevated their league record to a 7-1 mark and moved a full game ahead of the Clark Penguins in the present standings.

It was Washburn and Neal leading the way for the Hawks. Washburn limited the Trailblazers to four binges in the first encounter and Neal followed suit by permitting just two hits in the second contest. Til has allowed only one earned run in 40 plus innings of pitching. An almost unprecedented feat in this era of live-ball, many-hit games.

CBC SETS PACE

CBC tallied lone runs in the second and fourth frames. Then added two more in the fifth on a single by Bill Johnson, a triple via Marv Marchbanks and a RBI single by Gary Bates.

An assurance counter was added in the sixth by the Hawks.

Stan Rhodes walked and stole second in the bottom of the number two frame in the aftermath and was driven home by Larry Brown's single to knot the score at 1-1 after Centralia had tallied in the top of the inning. A sacrifice fly by Washburn scored a run for CBC in the third. And two walks, a wild pitch, two errors, three stolen bases, and two RBI's single and an infield out producing a run totaled four big counters for the Hawks in the fifth.

Lynn's Logic

In junior high school, ASB elections and the like were associated with hero worship type popularity contests by most students. It was great fun to prove that your buddy was more popular than that other group's hero.

A few students carried that attitude on up to high school, but by the time these students become seniors the officers they elect are, pretty much, just plain responsible people. Through reaching maturity, and by trial and error students learn that student government, or any other government, can not afford to be held back by a tribe of lazy "heroes."

Pointing toward a second championship for Columbia Basin College in '58, the Hawk baseball squad has compiled a string of early victories in league competition.

CBC initiated conference play with a pair of decisive victories at Longview. Bouncing Lower Columbia 5-0 and 10-0 behind the shutout hurling of Tony Burke in the opener and Jim Bobo, Til Neal and Jim Overdahl in the second contest.

Ray Washburn slammed two towering homers taping 370 and 410 feet to lead the Hawk hitting attack. Washburn also picked up a single and a booming triple for his efforts.

HAWKS SPLIT

Clark JC with the aid of eight Hawk errors blanked CBC in their first ballgame 2-0. But Tilbert Neal threw a sparklink four-hitter to salvage the second contest 3-2.

Behind Coach Len Pyne's ace righthanded chuckers Til Neal and Ray Washburn the CBC's whitewashed Grays Harbor's Chokers 6-0 and 12-0. "Horse" allowed only three hits and fanned 13. And Neal gaveup but two bingles and whiffed 12 batters in the after affair.

HEAVY ARTILLERY BY HAWKS

Marv Marchbanks and Larry Brown lit the fireworks early in the first game with triples to left and deep center to account for three of the four runs in that explosive first inning. This output proved more than sufficient for the decision.

Roy Mohondro got things started in the nightcap by chasing home a pair on a single in the fourth. Two more scored on an error and Bill Johnson drove in number five for the frame. Singles by Brown Neal, Washburn and Mohondro, with four miscues, two stolen bases, and a wild pitch sandwiched in, served up a seven run sixth inning for the Hawks to round out the day's scoring.

It follows, then, that by the time people reach college, they should be near or past the age of 21, mentally capable of realizing the importance of active participation in self-rule . . . otherwise known as democratic government, and by virtue of reaching this blessed state of wisdom, be allowed to take part in the most significant government in the history of mankind . . . the United States Government.

Well . . . How about it? Use yourself as an example. "Just how strong would this country be . . . if every voter were just like me?" I don't mean to suggest that there are people at this college with such a vacuum between the ears that they can't conceive a reason whereby they must vote. I am rather pointing out the relationship between student and national government . . . I hope you can see that unless somebody gets on the bandwagon sometime, democracy will last about no time—and that somebody might as well be you.

Whether or not you plan on attending CBC next year, CBC needs your vote of confidence.

IF YOU CAN'T CONVINCE 'EM, CONFUSE 'EM.

It Starts When You Sink in his arms, And ends with your arms in the sink.

**DAVE DICKERSON**

I am seeking the office of president of the Associated Students of Columbia Basin College because:

1. I feel it would be a great honor and I'm sure I can and will do a good job if elected.

2. I do believe there should be something done to increase the enthusiasm here at CBC. Next fall in our new school I'm sure this will be done. I have inquired here and at other junior colleges and have several good ideas which I will get started immediately if elected.

There are several other things I propose and will carry through, but they are too numerous to mention.

My qualifications are as follows: I was president of the senior class in Kennewick my graduating year, and served on the council here at CBC first quarter last year. I'm planning to be a city manager, so this job would be one which I would attempt to do well.

Be sure to vote.

**Charlene Middlebrough**

I would like to be a representative at large because it would be a very good experience and it would allow me to participate more fully in school activities. It would give me a chance to do my part for the school.

If I am elected, I will do my best to help solve some of the many problems that come up during the school year.

And a Couple more observations picked up at Random: God made the world, then rested.

God made man, then rested. God made women, then no one rested.

**SULLY BAYLESS**

Sully Bayless began his school activities in the eighth grade at Chief Joseph junior high in Richland by holding the ASB vice-president's office. The following year he was president of the ASB and editor of the school paper.

While in high school he was president of the sophomore and senior classes as well as a member and parliamentarian of the student council for three years.

At CBC Sully holds the office of freshman class president and is a member of the student council where he is on the constitution, lecture series, furniture and budget committees. He is also active in the CBC Debate Club and the Young Democrats.

**LEOTA MOSS**

Leota Moss will be of sophomore standing at the beginning of the 1958 fall term. She is a graduate of Columbia high school and there she held office as substitute representative to the student council and parliamentarian of her Retail Club.

Miss Moss is now holding the vice presidency of the local Baptist Student Union and she was one of the five students chosen from the Baptist Student Unions of Washington, Oregon and British Columbia to serve this summer as a student missionary.

She helped organize CBC's Talons and has been active in AWS. Miss Moss has also held various offices in her church youth fellowship.

Adam was the first electronic engineer, mainly because he furnished spare parts for the world's first loud speaker.

RAY REYNARD

The fall of 1958 will be a time of memorable events for Columbia Basin College. The college will be starting its fourth year of existence in a new building with a new staff of Associated Student Body officers. We hope that these will be young, conscientious, ambitious and dynamic people.

Ray (Barrel) Reynard is often seen skimming down the halls of CBC en route to a ski club meeting, Talons rally or a meeting of the annual staff where he is an editor. Ray is a veteran, a full time student, and pledges his time, thought, and "intellectual powers" to the students of Columbia Basin College if they award him the honor of being CBC's 1958 vice-president.

**Shirley Ann Mansfield**

Shirley Ann Mansfield, candidate for secretary, is a freshman majoring in Psychology-Education.

This year at CBC Shirley has been very active in many school organizations. She served as vice-president of the Freshman class, co-editor of the annual, newsreporter, artist on the COLLEGIATE, and was an active member in AWS, Talons and S.N.E.A. She has served on dance committees and worked in school concessions.

In high school Shirley was County Delegate to 1956 Leadership Training Center, won the 1956 Voice of Democracy contest, received two scholarships, P.T.A. and Quill and Scroll, was elected "Miss Artist of K.H.S.," was presented with an award as Superior Actress, and was County Delegate to the J.R.C. Training Center in Beaver Lake.

In her spare time she serves as vice-president for a national Fan Club for Stars.

JUDY HETT

I sincerely desire the position of ASB secretary and I have qualifications from previous offices that would apply to the duties of this position. I was secretary-treasurer of the student council and senior class secretary in high school. I was also secretary-treasurer of the CBC ski club. I believe that this experience would be of value in the office of ASB secretary.

If I should be elected ASB secretary, you can be assured that I will do my utmost to execute my duties conscientiously and to the best of my ability.

**CURT JETTON**

My most important qualification for the office of vice-president is the desire to work and serve Columbia Basin College. I am interested in your student government and mine, which I believe helps me to qualify to serve you.

To mention previous positions I have held, I had the honor to serve as a representative of the Boy's Federation Club is my sophomore year and to serve as a junior and senior class representative, respectively, all at Columbia High School in Richland. These positions, however, only serve as a background for the job I wish to do—be a competent representative for you.

**PAT TODOROVICH**

Pat Todorovich will be a qualified 45 hour sophomore at CBC next fall. She has a 3.72 grade average at the present time. Pat has been an active member of the youth group at her local church and has held various offices therein.

Besides her community and home activities, Pat is an active member of several school organizations which include Associated Women Students, Ski Club, Talons (pep club), and Student National Education Association. In March of this year Pat was selected as one of the representatives to the district WAFIA convention in Ellensburg, and was later elected as a delegate to the Student Education Association convention in Tacoma.

After your careful analysis of the qualifications listed above, Pat will appreciate your considering her for the office of representative at large.

**LYNN BRYSON**

As editor of the COLLEGIATE this year, Lynn has been in a position to know about CBC's government. As vice-president he would be able to perform the double duty of keeping the student council on its toes and keeping the student body informed.

At CBC Lynn has also been Ways and Means director of the freshman, active in debate and served on the lectures committee.

He has displayed interest in the success of CBC by writing about it in the COLLEGIATE. He was invited to speak at the Kennewick Chamber of Commerce and the student of Columbia high school in Richland.

Through his activities as debator, Lynn and his partner brought the junior college debate championship to CBC. Lynn also works part-time at KTRX-TV, where he is gaining valuable experience as an announcer.

By reading this, one can think that Lynn is a superb speaker, writer, and leader, one certainly capable of being vice-president. I know he can.

Sincerely,
Bill Johnson

It is the obligation of students in our school to hold our student government directly or indirectly through representatives of the student body. The persons chosen to be representatives must be out their duties with zeal, competence, and it is my belief that the student body will recognize these qualities in a vote from all of us.

A vote from all of us would be greatly appreciated.
